

Dear Kids R Kids Families,

This year, invest your heart in a child! Join us for the fourth year in a row to purchase the wish of a child. Kids R Kids has partnered up with the Orange/Seminole Foster Children's Association once again to make children's holiday dreams come true. We will have an angel tree on display in our front lobby during the end of November and the month of December. The tree will have angel tags which includes the wishes of children for the holidays. If you wish to purchase a child's wish, please take a tag and return the gift with the tag (wrapped or unwrapped), and brighten Christmas for a child. Please be sure to let someone at the front desk know which angel tag you removed from the tree. All gifts should be returned by Friday, December 15th. Thank you for your participation.
