

January Family Project

Snowflake

During the month of January we will be creating all sorts of fun activities for the Winter Season. This month's family project is to create a snowflake to be hung in our lobby. Have fun and make sure to include all family members in the project.

Decorate your snowflake with materials you already have in your home. Be creative, the possibilities are endless! Here are some ideas to get you started:

- Fabric
- Scrapbook paper
- tissue paper
- Markers

When your project is complete please return it to school so it can be displayed in our lobby.

Thank you in advance for your participation!
